TERMS OF SALE

1. This is a mail bid auction sale. All lots will be sold to the highest bidder. Bids will be treated as limits and lots will be purchased below the maximums where competition permits. Lots will be sold on the date indicated.
2. Six (6) % state sales tax will be added to the cost of all lots delivered in California.
3. Mail bid auction sales are not approval sales. No lot may be returned without written permission, and such permission must be requested within three days after receipt of books. By submitting your bids you agree to the Terms of Sale herewith set forth.
4. Bidders unknown to us must supply acceptable credit references or a 25% deposit to assure entry of their bids.
5. There is no additional charge or commission for executing your bids. All postage, insurance and shipping charges, however, will be added to invoices. There will be a 50¢ charge per lot for packing and processing.
6. Terms of this sale are strictly cash in United States funds. Payment must be made immediately upon notification or upon receipt of material.
7. Lots to be mailed to addresses not in the United States or its Territories, will be sent only at the risk of the purchaser. When possible, insurance will be obtained; it must be noted, however, that adequate insurance is often not available by surface mail.
8. All books are as described. We acknowledge the possibility of errors or typographical mistakes, and any errors on our part will be cheerfully corrected. We cannot be responsible for your errors; please check your bid sheet carefully.
9. Title to all lots remains with the cataloguer until paid for in full. We reserve the discretionary right to withhold delivery of lots until full payment has been received.
